

EXPLO 2022 Summer Update

EXPLO Summer Programs will be conducting two residential summer sessions on campus for students in 8th through 10th grades. We anticipate that each session will bring approximately 250 students to campus supervised by more than sixty EXPLO staff.

Key EXPLO Arrival and Departure Dates

EXPLO staff arrive: June 19-25
Session #1 students arrive: June 26
Session #1 students depart: July 15
Session #2 students arrive: July 17
Session #2 students depart: August 5

EXPLO staff depart: August 7

Impacted Physical Spaces

EXPLO students and staff will reside in the dorms and residential spaces (excluding Hill House), as well as Andrews Court, Dudley Lawrence, Garrison, MacCracken, Osilas, Rothschild, Slonim Woods, Taylor, Titsworth, and Warren Green.

The North Lawn will be a center of activity for the program. The Performing Arts Center, Bates, Heimbold, Campbell Sports Center, Andrews House, Science Center, Sheffield, and PC Labs in the Library will host indoor courses and activities. Courses and activities run daily 9am - 4:30pm. Some spaces will be used for evening activities from 6pm - 10pm.

While EXPLO students are residing on campus, **faculty with offices in Dudley Lawrence, MacCracken, O'Silas, Rothschild and Titsworth** must notify **Campus Safety** and **Campus Operations** (campussafety@sarahlawrence.edu / operations@sarahlawrence.edu) **with at least 4 hours advance notice**. This is to ensure appropriate social distancing and maintenance of safety protocols while these residence halls are occupied.

Bates and BWCC Dining

EXPLO will use Bates as its primary venue for meal service. The Barbara Walters Campus Center café will provide late afternoon (4:45pm - 5:45pm) food service to EXPLO students Monday through Friday.

Note: Starting Monday, June 27, Bates will be open to faculty and staff for lunch between 12:45pm - 2:00pm Monday through Friday. The BWCC Cafe will also be open for faculty and staff from 4:00pm - 6:00pm during the week.

COVID Protocols

EXPLO will abide by Sarah Lawrence's COVID protocols, which are located [here](#). In addition, they will have additional protocols, including:

- All EXPLO employees and students are required to be fully vaccinated.
- Testing of all EXPLO students, faculty and staff upon arrival
- Employ symptom tracking for all students and faculty
- Mandate mask use for all students and staff indoors except when actively eating

The continued partnership with EXPLO brings substantive benefits to the College: increased utilization of facilities and growth in revenues, enhanced visibility and awareness of Sarah Lawrence and its mission, and the opportunity to introduce hundreds of students each summer to our beautiful campus.

Thank you and enjoy the summer!
