Rape Crisis:

Hotline  
Counselors

## HOTLINE COUNSELORS

Take calls from the comfort of their own home. Hotline volunteers provide emotional support over the phone to callers who have been victims of various types of crimes such as sexual assault, domestic violence, physical assault, robbery, etc. They also provide information about VAS services and provide information and referrals about local services and agencies.

Hotline volunteers take at least 4 shifts per month. These shifts are overnight and on weekends.

### How ?

- Complete and Pass our 30-hour DOH training
- Make a 1 year commitment
- Attend monthly meeting
- Be 18 or older

Join us at our next training

**September 22<sup>nd</sup>  
2016**

NYS Department of Health mandates attendance at our 30-hour training, held on Thursday evenings from 6-9pm for 10 weeks at our Elmsford site. There is one Saturday class (11/19) from 9:00am – 4:00pm.
