2. **“My bank says I cannot pay through Flywire.” – Answer: FALSE! You can pay via Flywire, Sarah Lawrence’s trusted partner.**

Banks encourage students to pay directly through them in order to add higher international exchange fees. “What if a student doesn’t have a PAN?”

The PAN is a 10-digit alphanumeric Permanent Account Number issued in India. Some students may have a PAN, some may not. If not, the parent/guardian should complete the payment information and enter their PAN.
